Hi to all,

We are very pleased customers from Sydney, we own a 20+ year old Jacuzzi outdoor spa & found Jacuzzi Hot Tubs Australia very helpful, honest & professional they were able to supply hard to find parts at a very competitive rate, friendly communication & most important sent the correct parts that other suppliers could not obtain, we now have a spa that can be enjoyed for many years to come, we are happy to recommend this company to anyone seeking parts or supplies.

Many thanks from Justin & Kathryn
